Dear valued patient,

Thank you for choosing Barton Community Health Center. Our expert medical staff is dedicated to providing you with the highest level of safe, quality care.

Please take a moment to complete the new patient registration forms enclosed. Also included is a Medical Records Release form. By completing this form, we are able to obtain your healthcare history from your previous physician. Having the most current and accurate health information allows us to provide you with the exceptional care you deserve.

Please bring your completed packet, photo ID, immunization records, and insurance card to our office so we can schedule your New Patient appointment.

If you have any questions or concerns, please contact our healthcare professionals at (530) 543-5623. Thank you again for choosing Barton Community Health Center.

Sincerely,

Your Barton Community Health Center Team

Taking your health to **new heights**
